

Job Description: EMS Compliance Office

Position Overview: The EMS Compliance Officer is responsible for ensuring that all emergency medical services (EMS) operations comply with regulatory standards and internal policies. This role involves managing documentation, overseeing patient accounts, and ensuring overall compliance with healthcare regulations.

Key Responsibilities:

Patient Account Management:

- Manage all Prior Authorizations (PAs) and PA patients
- Always submit documentation you receive before asking for more or submitting your own documentation request
- Work on denied PA appeals to ensure proper reimbursement
- Handle paperwork compliance related to patient accounts
- Verification of Insurance

Transport Compliance:

- Ensure compliance with transport protocols and regulations
- Verify insurance coverage for trip pick up and drop off

Patient Payouts:

- Oversee and manage patient payouts/coverage (aging reports with Grace monthly)

Documentation Requests:

- Submit documentation requests after two non-affirmative responses on PE even if the base manager has submitted for them

Medical Necessity Review:

- Review and verify medical necessity for services provided
- PCS
- H&P
- Purpose of stretcher
- Keep all stakeholders updated on documentation and medical necessity requirements
 - Chief of Compliance

Supply Inventory Management:

- Manage inventory for the compliance department, including office supplies such as pens, paper, snacks, patient on boarding bags, marketing material, etc
- These requests will be submitted to the Financial Officer and Chief of Compliance

Communication and Reporting:

- Regularly update team members and management on compliance status and any necessary actions
- Monday and Friday, plus Wednesday meetings
- Participate in training and continuing education to stay current with EMS regulations and compliance strategies

Job Description: EMS Compliance Office (continued)

Qualifications:

- Bachelor's degree or certification in healthcare administration, nursing, or a related field
- Relevant experience in EMS, healthcare compliance, or insurance billing
- Familiarity with healthcare regulations and medical necessity guidelines
- Strong organizational and communication skills
- Proficiency in documentation and compliance tracking software

Essential Functions:

- Must be physically able to type or work at a keyboard for most of the day
- Must be able to view and read from a screen for long periods of time

Work Environment:

- This position typically operates in an office environment within an EMS organization, with occasional visits to medical facilities. Remote work is a possibility upon approval

I have reviewed a summary or have had explained to me the functions of the job noted on this page. (Due to various marginal functions of most jobs, a comprehensive description of all duties to be performed is not possible). The company reserves the right to assign duties not previously described or explained. Should you have reason why you are unable to perform a certain job function, it is your responsibility to report it to your supervisor. The company reserves the right to modify job descriptions in the future, with or without notice to the individuals affected by the job modification.
