

Job Description: Regional Director

Position Overview: The Regional Director is a senior operational leader responsible for the performance, compliance, and strategic execution of multiple Lifecare EMS locations. This role ensures operational excellence, supports company growth initiatives, and provides coaching and accountability for operational leaders within the assigned region. The Regional Director must demonstrate strong leadership acumen, deep clinical knowledge, and the ability to drive measurable results across all offices.

Key Responsibilities:

Regional Operational Oversight

- Oversee multiple EMS office locations, including direct supervision, mentorship, and leadership development of on-site management teams
- Serve as the primary liaison between regional operations and corporate leadership
- Ensure consistent adherence to company policies, clinical standards, and regulatory compliance

Performance & KPI Management

- Monitor daily/weekly/monthly performance metrics including:
 - Call volume and units-per-hour efficiency
 - Overtime and staffing optimization
 - Budget adherence and office expenses
 - Customer satisfaction, incident/task completion accuracy, and clinical quality indicators

Strategic Growth & Business Support

- Support company growth initiatives, including service expansions, new office onboarding, and market development
- Analyze regional operational trends to identify risks, efficiencies, and opportunities
- Manage regional resource allocation to maximize operational efficiency and profitability

Corporate Collaboration & Project Execution

- Partner with corporate and executive teams on strategic initiatives and special projects

Employee Relations & Culture

- Promote a positive, accountable culture that aligns with Lifecare's mission and values
- Maintain high standards of professionalism and patient-focused care throughout all locations

Additional Duties

- Occasional field response or clinical support
- Travel between assigned offices is required
- Duties may evolve as the organization grows

Job Description: Regional Director (continued)

Qualifications:

- Valid EMT certification/license required
- Extensive knowledge of EMS clinical protocols and operational best practices
- Demonstrated ability to lead multiple teams and hold leaders accountable
- Strong analytical capability; ability to interpret financial and operational data
- Valid driver's license with acceptable driving record
- Active CPR Certification

Essential Functions:

- Grip, grasp, and twist using your hands and wrists
- Lift and or carry up to 25lb regularly during your shift
- Wear proper safety equipment
- Frequently lift and or move up to 180 pounds, occasionally lift up to 400 pounds, with assistance
- Show competency and effective use of all job material and equipment
- Ability to travel frequently and adapt to varied work environments (administrative and field-based)
- Ability to stand, sit, climb stairs, and lift equipment as needed when supporting clinical operations
- Demonstrated ability to remain calm and decisive in high-pressure situations

Work Environment:

- This position operates in a hybrid environment including, but not limited to, the EMS organization, ambulance, medical facilities, etc.

I have reviewed a summary, or had explained to me the functions of the job noted on this page. (Due to various marginal functions of most jobs, a comprehensive description of all duties to be performed is not possible.) The company reserves the right to assign duties not previously described or explained. Should you have reason why you are unable to perform a certain job function, it is your responsibility to report it to your supervisor. The company reserves the right to modify job descriptions in the future, with or without notice to the individuals affected by the job modification.

IF THERE IS ANY QUESTION OR STATEMENT ON THIS FORM THAT YOU DO NOT UNDERSTAND, ASK FOR ASSISTANCE FROM THE PERSON INTERVIEWING YOU.
